

WE ENCOURAGE PARTICIPATION BY ONE AND ALL

BAGA Photomontage is a social engagement platform for members of our community to engage virtually and get to know more about each other through their lens. This challenge is open to all participants of our community and we encourage everyone to come forward and share their experiences from behind the lens of moments that became memorable. We will publish these pictures digitally on multiple platforms for our community to enjoy. We will provide inputs to participants on their work from our esteemed internationally acclaimed judge.
